

CHAPTER GIFTING

Premium Gifts 2026

Personalised gifts, handcrafted in Udaipur

2026 EDITION

WELCOME

Every gift begins a *new chapter.*

Chapter Gifting began as a painter's hobby in Udaipur – burning portraits into wood, one stroke at a time. Today our workshop and store engrave, burn and personalise gifts for families, schools, hospitals and companies across India, with a proof shared before anything is made.

Gifted to the Vice President of India
